

TOWN OF SEVASTOPOL
Resolution No. 11 - 2011 TB
“Adoption of Road Management System”

To the Sevastopol Town Board of Supervisors:

WHEREAS, the U.S. Department of Transportation and Federal Highway Administration in its Manual on Uniform Traffic Control Devices (“MUTCD”) establishes uniformity and standards for traffic signs on public roads; and

WHEREAS, recently adopted language in the MUTCD requires all agencies, including all state, county and local municipalities, to implement a traffic sign maintenance program by January 2012, and begin meeting new minimum retro-reflectivity requirements for all traffic signs; and

WHEREAS, there may be opportunities to apply for and receive state or federal grant funds to assist in implementing and maintaining said standards and requirements;

NOW, THEREFORE, BE IT RESOLVED, that the Town Board hereby establishes a sign maintenance program as outlined by the MUTCD and shall proceed to gather the basic information, identify sign maintenance methods, prepare a budget and apply for grants, if applicable, and administer the sign maintenance program.
